Class History

The year was 1956; the date, August 27. The incoming Freshman class stood shivering with fright in a group by the door. This was THE day; the first day of school at A.C.H.S.

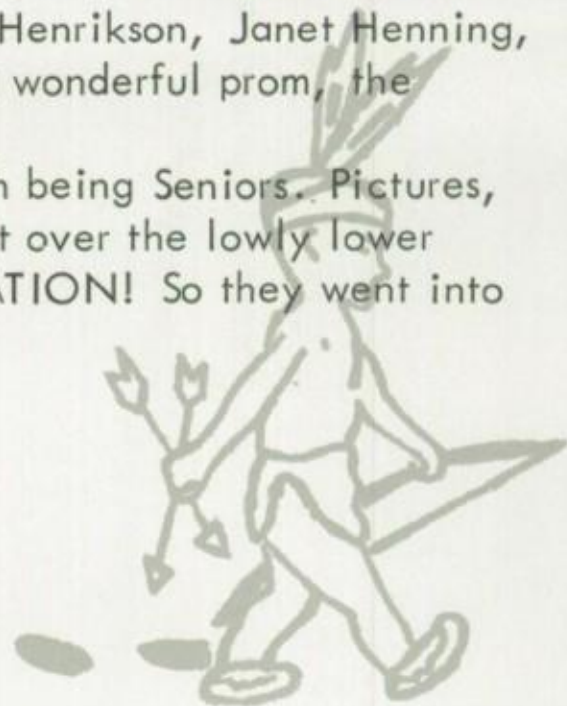

Things went well. Then the day came for their first class meeting. Whom would they elect as officers? Going shyly into the room, they saw before them the formidable forms of Mr. Oral Ragle and Miss Dorothy Fisk, the class sponsors. Everyone sat down and the meeting was begun. The first timid nomination was made and the race was on. Kenny Freer was elected President, Harry Woods--Vice-President, Iris Brown--Secretary-Treasurer, and Janet Henning--Student Council Representative.

The year went on and the first party of the Class of '60 was a weiner roast held in Lincoln Park. The second party was the time-honored hamburger fry. The girls who were elected to march for Honor Night were Joanne Nichols, Joyce Seipel, and Sharon Talkington. So much for their first year at high school.

Their second year was not as hectic as the first, but more eventful. Officers were elected and this year they were: President-Kenny Freer, Vice-President--Harry Woods, Secretary-Treasurer--Joyce Seipel, Student Council Representative--Glenn Huffman. Class sponsors were Mr. & Mrs. Roy Baker. Their first semester party was held at good old A.C.H.S. in the form of a spaghetti supper and sock hop. Their second party for the Sophomore year was once again the time-honored hamburger fry, but this year it was held at New Salem State Park. The girls who marched Honor Night were Janet Henning, Iris Brown, and Joyce Seipel. So much for the Sophomore year.

September 11, 1958, was their first class meeting as upperclassmen. Loren Fawns was elected President, Phil Clemens--Vice-President, Iris Brown--Secretary-Treasurer, and Terry Barnett--Student Council Representative. Their sponsors for this year were Mrs. Masten and Mr. Brittin, the beloved band director. Their first item of business was how to raise money to pay for the prom. They decided to sell sweatshirts, a profitable decision. Their first semester party was a pizza party and sock hop, held at the high school. Their second party for the year was a weiner roast held at Myrna Brown's. Only two fell in the lake. The girls who marched Honor Night their Junior year were Carol Walkup, Karen Henrikson, Janet Henning, Karen Brown, and Myrna Brown. And then came the Prom! It was a wonderful prom, the best ever.

Then, they were Seniors, with all the excitement that goes with being Seniors. Pictures, the Senior Prom, being the big wheels of the high school, lording it over the lowly lower classmen, and last of all, but not least, the long awaited GRADUATION! So they went into the world.

Class Prophecy

The year is 1970. The occasion is the launching of the U.S.S. Athenian and the reunion of the great Class of 1960. After the launching, refreshments will be served at the home of Joy Williams, who is a social director in Chicago, Illinois.

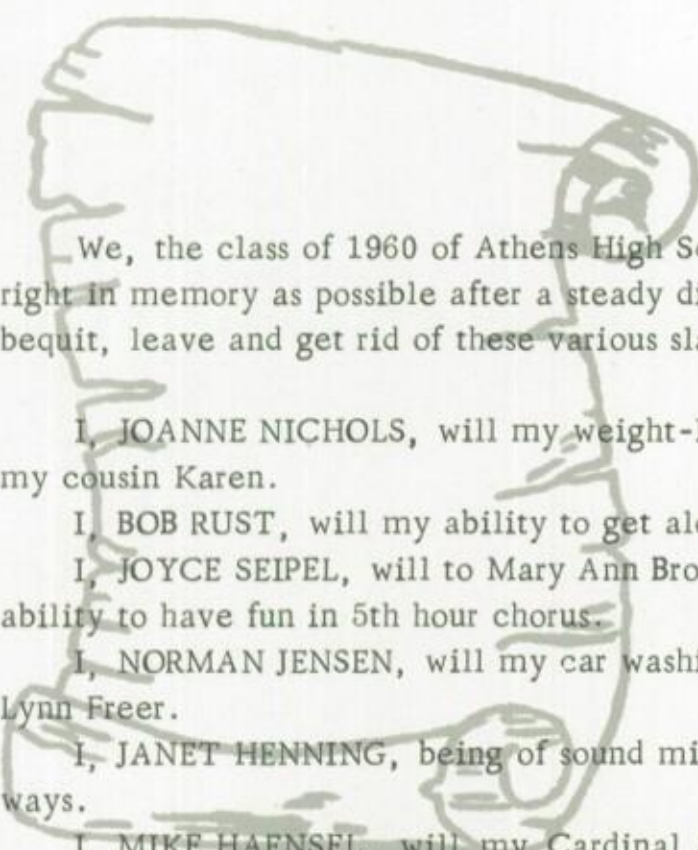

Everyone seems to be present for the occasion. Harry Woods a well known expert in the agricultural field, is talking to Richard Van Meter, a farm adviser for the State of Illinois. Terry Barnett and Glenn Huffman appear to be very excited. Terry is president of the Swift Packing Company, and Glenn is the owner of a huge tobacco plantation in Georgia. Alberta Fornoff and Jeanette Nance, who are airline hostesses for American Airlines, are enjoying the reunion as much as Marianne Becker, married and the mother of three beautiful children. Three of the Browns, Iris, Myrna, and Karen seem to be interested in each other's present status. Iris, who has taken over Charles Van Doren's position as English teacher at Columbia University, is very enthused about her work. Myrna, a teacher at Athens High, seems to be very happy, and Karen, an economics expert, is as jolly as ever. Shirley Gajewske, who married a millionaire from Texas, is talking to Karen Sue Henrikson, a music expert, about the "good old days." Bob Rust and Mark Parks, Admirals in the Navy, are discussing world affairs but still seem to be enjoying themselves. Ken Freer, a top notch physicist, and Ron Weidhuner, a math teacher, are discussing Einstein's Theory of Relativity and are agreeing that it was practical after all. Russell Bounds, a Certified Public Accountant for the state of Illinois is standing here admiring the figures. Barb Wasilewski and Joyce Seipel, who were smashing hits in the movie, "Teenage Rebels," are talking about the days in good old 5th hour study hall. Bill Shannon and Norman Jensen, expert mechanical engineers, are engrossed at the engine of Loren Fawns 1970 Chevy stick shift, with three fours and a full race cam. Bill Babb and Louis Suttory, co-owners of the Ball and Bearing Company, are reminiscing about old times with Joanne Nichols, a teacher at Springfield High, and Orval Brown, who recently sang at the Metropolitan Opera. Sharon Talkington, a secretary at the Franklin Life Insurance Company, is admiring Carol Walkup's new dress. Carol is a model for the Zest Soap Company. Lee Nance, a Plymouth car designer, and Terry Borell, a Ford car designer, are disagreeing over something, but I can't seem to make out what they are saying. Mike Haensel, coach at Athens High, and Janet Henning, a P.E. teacher for girls at Athens, are talking about some of the exciting basketball games of 1960. Last of all, Phil Clemens, who recently had a best seller, "Four Years of Heaven at Athens High," is talking to himself about having an adaption of his book on Playhouse 90.

So on goes the party, and on go the lives of the 1960 Class of Seniors.

A black and white photograph of a group of students and adults on a stage. The group includes men in suits and shirts, and women in dresses and skirts. RICHARD VAN METER
President

Student Council

The Student Council has 18 members this year. These include the presidents of the Freshman, Sophomore, Junior, and Senior classes, band, F.H.A., and F.F.A. Representatives are chosen from Chorus and Pep Club, also. Permanent members to the Student Council are elected in this sequence: Each class elects a member each year. This person will remain on the Student Council for the remainder of his high school career, providing he retains a "B" average or better.

The President is elected by the whole student body. This year the President is Richard Van Meter.

The activities which the Student Council sponsors are: Halloween Party, all-school Christmas Party, Christmas Dance, Honor Night program, and the school picnic. It also takes care of the candy, paper, and pencil machines.

The officers this year are President, Richard Van Meter; Vice-President, Marianne Becker; Secretary, Janet Henning; Sponsor, Mr. Ingold.

The sixteen librarians under the supervision of Mr. Ben Gaston are constantly trying to improve the library. Approximately one hundred new books, plus three new book cases have been added this year. Most of the new books have been non-fiction, biographies and science. Since the library should be the center of the school, a greater effort is being made to create new interest in it by asking the students for suggestions on subject matter for the new books. Many of the old, out-dated books have been removed to make room for the new ones. By constant addition and elimination the library should be brought up to desired standards.
